

Areas of Landslides

Blackwater Lake Quadrangle, North Dakota

Christopher A. Maike

2023

Areas of landslides were investigated within this quadrangle based on a review of county historical aerial photography flown in 1958 by the United States Department of Agriculture (USDA). Additional data sources include digital orthophotography from the USDA National Agriculture Imagery Program (NAIP) flown in September 2021 and the North Dakota Geological Survey LiDAR Map Series, which compiles raw data flown in October 2021 from the North Dakota State Water Commission. From this investigation, no landslides were mapped within the quadrangle.

ROAD CLASSIFICATION

Expressway		Local Connector	
Secondary Hwy		Local Road	
Ramp		4WD	
	Interstate Route		US Route
	State Route
