Industrial Commission of North Dakota
Oil & Gas Division
Att: Todd Holweger
600 E Boulevard, Dept 405
Bismarck, ND 58505-0840

Dear Mr. Holweger,

We have completed the NE Landa 3D Seismic Program, Permit # 97-0224 and I am forwarding the Geophysical Exploration Affidavit of Completion, Forms GE 6A & GE 6B . I will mail the originals along with a hard copy of the final map. I understand that all needs to be documented within 30 days of the completion of the program and that was March 23, 2012

In addition I need to advise you that all of the land owners within the program received a copy of the North Dakota Oil and Gas Rules and Regulations Section 38-08.1-04 and Chapter 38-11.1 as required by the State of North Dakota. In addition there were 22 surface owners within ½ mile of the N Souris Program that also received the documents.

If you have any questions please again email or call me at your earliest convenience,

Regards,

A handwritten signature in blue ink that reads "Judy Hakala".

STE 100
GREENWOOD VILLIAGE, CO 80111

RE: NE LANDA 3-D
Geophysical Exploration Permit #97-0224
BOTTINEAU COUNTY

Dear MR. LUCKIW:

Please be advised that we are in receipt of your Geophysical Exploration permit application and it is conditionally approved; effective for one year from MARCH 5, 2012. **PURSUANT TO NDAC 43-02-12-05 (DISTANCE RESTRICTION) non-explosive exploration method may not be conducted not less than 300 feet from a water well, building, underground cistern, pipelines, and flowing spring.** Review the following conditions for your permit:

1. A pre-program meeting with state seismic inspector Tom Torstenson may be required. You must contact him at 701-290-1546 (cell) or 701-227-7436 at least 24 hours prior to any exploration operations.
2. All variances for distance restrictions are to be furnished, and a pre-plot map displaying any source points that do not comply with the distance restriction rule must be supplied to the inspector.
3. The following information must be submitted within 30 days of the completion of the project by the Geophysical Company:
 - a. Completion Report,
 - b. Completion Affidavit,
 - c. Post Plot Map. It must show all water wells, buildings, underground cisterns, pipelines, and flowing springs that fall within the program area and within one half mile of the perimeter of the program.
 - d. SD card or email: ttorstenson@nd.gov with all source and receiver points,
 - e. Letter stating that the Geophysical Company has given all surface owner's a copy of the Section and Chapter of the NDCC as stated in paragraph 5.

4. The following information must be submitted within 30 days of the completion of the project by the SUBCONTRACTOR(s) (when applicable):
 - a. Plugging Report
 - b. Plugging Affidavit
5. It is required that within seven days of initial contact between the permitting agent and the operator of the land, the permitting agent shall provide the operator of the land and each landowner owning land within one-half mile of the land on which geophysical exploration activities are to be conducted a written copy of NDCC Section 38-08.1-04.1 (Exploration Permit) and NDCC Chapter 38-11.1 (Oil and Gas Production Damage Compensation). The permitting agent shall file an affidavit with this office confirming compliance with such notification. For your convenience, a copy of both Sections are enclosed.
6. The permit agent shall notify the operator of the land at least seven days before commencement of any geophysical exploration activity, unless waived by mutual agreement of both parties. The notice must include the approximate time schedule and the location of the planned activity.
7. Information regarding the location of water wells, springs, etc.; refer to the following ND State Water Commission Mapservice website, at: <http://mapservice.swc.state.nd.us/>
8. The entire permit can be viewed, as well as the status of various seismic projects in the state, at: <https://www.dmr.nd.gov/oilgas/seismic/seismicstats.asp>

Should you have any questions regarding this matter, feel free to contact me at 701-328-8020, or Tom Torstenson at the number listed in paragraph 1.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd L. Holweger", with a long horizontal flourish extending to the right.

Todd, after all this I have what you are asking for. I will have larger maps in the mail to you for the entire program. As you know we are on time constraints here so i am asking that you review and approve and email me a signed and numbered permit as soon as possible. We are looking at starting survey as early as Tues Mar 6. Please advise that this is acceptable. The recording is scheduled for Mar 12 but we will notify Tom as soon as confirmed. If you have any questions please email as soon as possible. Thank you for your patience with me on this program. Judy Hakala
